1023:07/15/2009 22:06 ~ Interview with Narcy Novack.

1023:07/15/2009 20:32 ~ on 7/12/2009 at approximately 1245 hrs I interviewed Narcy Novack (victims wife) DOB 11/28/56 of 2501 Delmar Place, Ft. Lauderdale, FL 33301. She was staying at the Hotel with her husband in Room 453 along with the Woodlands Suite. I asked her if she had anyone video taping the event. She stated Bob Fererr who works for a private company was hired to video tape the event. She stated she has the contact information in a file in her room.

She stated that her husband Ben Novack seemed nervous the last couple of days. He had not been sleeping. He was picking at his fingers causing them to bleed. His daughter May Abad gave him a Sponge-Bob Band Aide. (Sponge-Bob Square Pants is a cartoon on Nickelodeon Channel)

She told me that her husband had asked her to cuddle a little bit in the morning. She states he fell asleep at around 0630 hrs. She stated she heard the phone ring while she was getting dressed. She said it was probably the girl from convention named Angelica. She states that a little after 0700 hrs she ran out to go to the breakfast.

Narcy stated she called him around 0730. She looked at her phone and told me 0731 hrs. She was calling to tell him there was a big crowd for the breakfast. She stated that there usually is not a big crowed for the Sunday breakfast. She also stated she called her daughter at 0719 hrs. She looked at her phone to give me the time.

She stated that someone informed her that they did not have enough China for the breakfast so she was informed that they will have to use disposable service ware. She needed to tell her husband this because he would not approve. She had to go to the bathroom so she went upstairs to the room. She entered into the room through suite doors. She was going to use the bathroom in the parlor area, because the toilet was "plugged up" in the bathroom in the bedroom area of room 453. She did go to the bathroom.

When she entered the parlor area she called out to her husband and said "Novack you're not going to like this" but he did not answer. She stated when she wanted to get his attention she would call him Novack.

She stated she used her own key. She stated when she found him on the floor she did call for help on phone. She was unsure if she got security or the front desk. She called for help but they did not understand.

She did state that a heavy set Hispanic man saw her screaming for help and he came from down the hall. He is described as older, dressed in a suite. She thinks he was from the convention.

She also stated she thinks she called for help on phone, and then started knocking on doors.

She stated her husband was a reserve officer for the Miami Beach PD. She did tell me RBPD - 003063

There was a big fight to get his (photograph on the wall. Her husband had to go to the Mayor. She stated that there was one cop that did not think reserve officers photographs should be on the wall).
